The Mysterious Dark Figure

Hamtaro jumped up out of his cage as he heard the door close behind Laura. He hopped down the pipe, landing on Brandy. "Hamha Brandy!" he said jumping off of her. He ran down to the Ham Ham clubhouse Badda badda badda...
>
 He hopped inside, "Hamha! Sorry I'm late, Laura was late too!" he looked around and they were all there. Bijou smiled at him, "Tis okay Hamtaro! So, what're we going to do today?" Hamtaro scratched his chin and thought a minute. "Uh, we can go get acorns!" they all grinned at that idea.
>
 They walked down with thier bags on thier shoulders, and eyed the acorns. Shiny and big, they looked delicious. They licked thier lips at the sight. Then, off they were. Gone like flash picking up acorn after acorn. Pashmina was with Penolpe as usual, picking acorns up left and right. Penolpe walked around a tree for just a moment, stopping to pick up some acorns. She heard a shriek behind her, and she knew it was Pashmina. She jumped away from the tree running to the other hams. "Ouk wee!" she yelled. They knew something was wrong, because Pashmina wasn't in sight.
>
 The Ham hams hopped around yelling Pashmina's name, but she was no where to be seen. They looked everywhere, but she wasn't there. She had been kidnapped. Hamtaro wanted to find her so bad, as the others did. They walked thier way back to the Ham ham clubhouse, holding hands to keep together. Hamtaro was holding Bijou and Penolpe's hand, and humming a slight tune. Bijou grinned at Hamtaro and herself holding hands, as she had always had a crush on Hamtaro. Hamtaro looked up at her and grinned, herself blushing wildly. Boss eyed Hamtaro and Bijou and got mad fast. His eyes widened, bigger and bigger. But, he kept his cool because there was a serious situation going on. When they got back, they all yelled, "Bye-q!" and off they were on thier way home.

>
 Since Pashmina had been kidnapped, poor Penolpe was all alone. Walking home hearing small noises frightned her. She finally got home, and relaxed herself. Hamtaro was already in his cage, sighing about the whole situation.
>
 The next morning, they went back to the place Pashmina had been kidnapped, looking around for any clues. They decided to stick together, they couldn't bear another Ham ham being gone. Walking through the forest, they heard noises. They couldn't recognize them, so they kept walking, keeping thier courage. Right there in front of them appeared a dark figure, that was the size of a Hampster. They stared at the figure, and decided he may have something to do with Pashmina's disaperrence.
